Reflect on the topic

Working silently and individually, have each person create a few sticky notes in all four quadrants below for about five minutes. With the remaining time, discuss notes in each quadrant.

What went well?

What should we keep doing?
What should we celebrate?
Where did we make progress?

TOPIC

Workstation engineering team Sprint 10

What went poorly?

Where did we have problems?
What was frustrating to us or others?
What held us back?

keep learning

no writing work

technical learning

some internet issues

this is not simply

no one

no one

banking related

some marketing related

some clear definition

you speak clear language

proper instrection

What ideas do you have?

What ideas do you have for future work together?
Where do you see opportunities to improve?
What has untapped potential?

How should we take action?

What do you believe we should do next?
What specific things should we change?
What should extend beyond this meeting?
